The U.S. Department of Agriculture has evidence that on or about December 22, 2009, you or your organization committed the following violation(s) of Federal Regulations 9 CFR, Section:

**3.137(a) Primary Enclosures Used to Transport Live Animals**....failed to ensure that the primary enclosure used to transport river otters was constructed in a manner to contain the live animals.

The Animal and Plant Health Inspection Service (APHIS) created federal regulations to ensure the welfare of animals and help prevent the spread of animal and plant pests and diseases. Since violations of the regulations can have serious and costly impacts that are detrimental to the public interest, APHIS is providing you with an Official Warning for the violation(s) described above. Any further violation of these federal regulations may result in the assessment of a civil penalty, criminal prosecution, or other sanctions. If you have any questions concerning this Official Warning or violation(s), please contact the APHIS official listed in this notice.
